Pursued by military agents into Los Angeles after rescuing a baby kaiju from its crash site in the woods, the residents of Hidden Springs Seniors Home make a desperate dash toward the ocean. Driven by the knowledge that if the creature can't escape to the sea, it could cause the end of the world. Which of the unlikely heroes will give their life for the cause?

- From celebrated writer Rob Williams (*Petrol Head, Judge Dredd*)!
- Four-issue series.
