MINISERIES PREMIERE In 1977, a young artist had his first ideas for a character he would name Spawn. That man was TODD McFARLANE. Now, 49 years later, Spawn is an international sensation that has spawned (pun intended) a movie, toys, games, and an animated series. It has been translated into over a dozen languages with fans across the globe. Now, in collaboration with acclaimed artist MARK SPEARS, TODD McFARLANE brings a vision of his original idea to the Spawn Universe. A completely new and exciting take on the fan-favorite character. Covers from MARK SPEARS, TODD McFARLANE, EMMA RIOS, SHAWN CRYSTAL, and more. A wickedly different version of Spawn starts here.
