As a group of octogenarian ex-celebrities try to shepherd a baby kaiju to safety, they're found by military agents who try to capture it—with devastating results! As the Hollywood has-beens are caught in the crossfire, they have to ask themselves, just what are they willing to sacrifice to save an alien creature?

- Celebrated writer Rob Williams (*Petrol Head*, *Judge Dredd*)!
- Kaiju powers plus grandparent follies.
- Four-issue series.
