CATACLYSMIC CONTINGENCY!

The Defenders have taken a beating on two fronts, emboldening KNULL and HELA to personally finish off both strike teams once and for all. The time has come for PLAN B — but will this desperate contingency be enough for TEAM LIGHT and TEAM DARK to stop the dual horrors of the OUEEN IN BLACK and the GOD OF LIGHT from turning Planet Earth into yet another battlefield in their cosmic conflict?

Light and Dark forces collide (and unite!) in this bombastic grand finale!
